ABOUT LISA

"MY GREATEST DESIRE IS FOR PEOPLE TO KNOW WHO THEY ARE FROM THE INSIDE OUT AND TO USE THAT KNOWLEDGE TO CREATE THE LIFE THEY DESIRE AND DESERVE. I BELIEVE MY PURPOSE IN LIFE IS TO FACILITATE THE EVOLUTION OF HUMAN CONSCIOUSNESS, HOW WE THINK, THROUGH THE UNDERSTANDING OF SPIRITUAL PRINCIPLES."

Lisa's story reads like an epic tale filled with near misses, struggle, strength, courage, and triumph - From her life's experiences she has uncovered her life's purpose, discovered the power that lies within and recovered her spiritual self and she has emerged as a living testament to God's Prevailing Peace, Power, and Presence.

Lisa received a bachelor's degree in Social Work at Limestone College in 2006. She also completed her master's degree in Adult Education in 2011. She is currently writing a book on her life and how she overcame her struggles. She is happily married to George Jenkins of 15 years who is an army retired veteran. She is the mother of 7 children and bonus mom to 1 and grandmother to 4 amazing grandchildren.

Lisa is currently on the Crime Victim Services Advisory Board, she also sat on the State of Colorado STOP Violence Against Women Formula Grant Program Implementation Planning Committee, the Transformational Community Engagement & Collaboration (TCEC) Project Advisory Board for Colorado Coalition Against Sexual Assault (CCASA) and Colorado Domestic Violence Fatality Review Board.

Lisa has advocated for Domestic Violence Victims and underserved youth for over 25 years and spent countless hours volunteering, assisting in the empowerment of others. It is her mission to change the narrative around issues of family violence and childhood and adult.

She was no stranger to need, but the soul-shattering poverty she observed planted the seeds of a vision that God gave her and that eventually became the Kingdom Builders Family Life Center. In April of 2013 she founded Kingdom Builder's Family Life Center. In August of 2018, she became the 1st full-time paid employee of the organization as Executive Director, and as of 2021 because of the growth of the organization that title has changed to Chief Executive Officer. Lisa's goal is to open a state-of-the-art domestic violence transitional housing for women and their children as well as a Home Away from Home safe house for children that have left unsafe and often violent homes these living conditions.

These services will provide a haven as well as a variety of support measures that will allow women and children to break the cycle of domestic violence in their lives. Also, to start a Christian charter school it is our purpose to give students a solid academic foundation while emphasizing Christian character and patriotism.

Lisa has developed and is continuing to develop a comprehensive network of personal and professional contacts with key community leaders. This will be instrumental in raising the profile of Transitional Housing, a safe house for teens who have left their homes because of violence and/or other dangerous living condition. She wants a safe place for these children to live so they will not be exploited and will be able to get empowerment as they realize their true worth and become the person GOD created them to be.
